FREQUENTLY ASKED QUESTIONS

7. I've paid in full for my KAL Season Ticket, but can't play golf, what will happen?

Memberships have been frozen, free of charge, for the duration of the closure; if you have paid in full, you will get a refund equivalent to the number of weeks the course is closed. If you have not paid in full, the cost of weeks lost will be deducted from the amount owed: e.g. a Gold Membership is the equivalent of £10 per week, so if the course is closed for 4 weeks, there will either be a refund of £40, or £40 will be deducted from the amount still owing.

8. What happens with my Driving Range Membership?

Driving Range membership is via Direct-Debit payments and this should have been frozen. Direct-Debit payments will be reactivated once the facilities are reopened.

9. What will happen with BPGC Annual Subscriptions?

Subject to agreement by the General Committee, collection of subscriptions will be postponed under a new Bye-Law. Once there is clarity over the amount of competitive golf that will be possible in 2020/21, decisions on Annual Subscriptions will be made. Where appropriate, new members will get a refund.
